AUDITOR'S OPINION

NORTH COUNTRY FINANCIAL SERVICES

P.O. Box 392, Franconia, NH 03580
(603) 823-7185

Board of Selectmen
Town of Franconia
Main Street
Franconia, NH 03580

I have examined the financial statements of the Town of Franconia for the year ended December 31, 1990, as listed in the table of contents, except for the Chamber of Commerce and the Frost Place. These latter mentioned reports are provided as supplemental information. My examination was made in accordance with the New Hampshire code of Administration Rules Rev. 501.01 through 505.09 and generally accepted auditing standards and accordingly, include such tests of the accounting records as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Town of Franconia at December 31, 1990 and the result of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a consistent basis with the preceding year.

Ralph Brigida, Auditor
February 25, 1991

AUDITOR'S REPORT

In accordance with RSA 21-J:19 and 21, which requires inclusion of the auditor's findings in the annual town report, I present the following:

1. The reporting and accounting of motor vehicle permit fees in the cash book is not being handled properly in all cases. There were items that were late in posting and deposits that did not agree with the detail. As a result some bounced checks have yet to be resolved.
2. In the case of uncollected checks proper procedures were not followed to remedy the situation. Still outstanding are two bad checks from previous years and two from this year.
3. Deposits of the Town Clerk are not always made weekly.
4. No errors were found in the testing of motor vehicle permit fees verification computation.
5. Marriage license fees were not recorded timely in the cash book.
6. Cash-on-hand is not being reconciled and is leading to over/under cash positions in some deposits.
7. Dump sticker fees have not been deposited to the Town for 1990. They are still in the hands of the Town Clerk.
8. Bounced checks to the Tax Collector were never recorded in the cash books. There were five in the year 1990 amounting to \$2,475.48.
9. Observed Selectman presigning checks without benefit of back-up documentation.
10. The Water Department accounting system has built in checks and balances that have been overlooked in a few instances resulting in incorrect outstanding balances. It appears that the clerk does not have a total understanding of the system.
11. Outstanding water fees at the end of 1990 are far greater than they should be. Collection of these aged accounts should be accelerated.
12. The Library Trustee combined the investment of the Schaffer Fund into the Priest Fund. This situation will be rectified in 1991.
13. Books were not maintained showing maturing of certificates of deposit, interest thereon and disposition of principal and interest by the Library Trustee.
14. Finally, I still recommend the computerization of the Selectmen's accounting system.

Respectfully submitted,
Ralph Brigida, Auditor
February 25, 1991

TOWN MEETING WARRANT

**Franconia Town Hall
March 12, 1991 - 7:30 PM**

Polls open from 1:00 PM to 8:00 PM

ARTICLE 1. To choose all necessary Town Officers for the ensuing year. *(By ballot.)*

ARTICLE 2. To see if the Town is in favor of adopting Amendment #1 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To create an Aquifer Conservation District. *(By ballot.)*

ARTICLE 3. To see if the Town is in favor of adopting Amendment #2 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To create a Wetlands Conservation District. *(By ballot.)*

ARTICLE 4. To see if the Town is in favor of adopting Amendment #3 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To change the Flood Hazard Conservation District to comply with new flood insurance maps and Federal requirements. *(By ballot.)*

ARTICLE 5. To see if the Town is in favor of adopting Amendment #4 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To change and clarify the PUD requirements relative to setback, common land, right of way requirements and density. *(By ballot.)*

ARTICLE 6. To see if the Town is in favor of adopting Amendment #5 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To add a new section on home occupations which defines and clarifies home occupations; and provides for Special Exceptions for employing non-family members, and for home occupations not listed. *(By ballot.)*

ARTICLE 7. To see if the Town is in favor of adopting Amendment #6 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To clarify apartments as a permitted use in the Residential B District by renaming them multi-family units and setting up standards relative to density and setbacks; and to add a Special Exception for small apartments attached to a single family home in any District. It also adds a new section which allows the conversion of existing structures to multi-family units in Residential A and B and Business B Districts provided certain requirements are met. *(By ballot.)*

ARTICLE 8. To see if the Town is in favor of adopting Amendment #7 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To change and clarify hotels, motels and inns in the Residential B District by clearly defining them and changing the density requirement to a maximum of 10 double occupancy sleeping units per acre excluding wetland soils, floodplain soils and slopes over 25%. *(By ballot.)*

ARTICLE 9. To see if the Town is in favor of adopting Amendment #8 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To change and clarify the existing sign regulations with regard to permanent, temporary and exempt signs; to change the section on zoning violations and penalties to make them conform to State law. *(By ballot.)*

ARTICLE 10. To see if the Town is in favor of adopting Amendment #9 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To change the section on parking requirements by eliminating the requirement of one parking space per 100 square feet for all non-residential, business, commercial or industrial floor space and replacing it with the requirement that the number and construction of parking spaces must comply with the Franconia Subdivision and Site Plan Review Regulations. *(By ballot.)*

ARTICLE 11. To see if the Town is in favor of adopting Amendment #10 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To allow for the subdivision of a lot over 30 acres with only 50' of frontage for the purpose of providing future access to backlands provided future subdivision plans are acceptable. *(By ballot.)*

ARTICLE 12. To see if the Town is in favor of adopting Amendment #11 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To allow for a Special Exception for reducing lot frontage requirements provided 5 conditions are met relative to size of subdivision, future roads and re-subdivision. It also allows the Planning Board to reduce lot frontages and setback requirements in PUDs and cluster developments. *(By ballot.)*

ARTICLE 13. To see if the Town is in favor of adopting Amendment #12 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To eliminate the section that requires a 100 foot setback from the street centerline and 200 foot setback from property lines for structures as a condition for granting a Special Exception. *(By ballot.)*

ARTICLE 14. To see if the Town is in favor of adopting Amendment #13 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To create a new section which allows the Board of Adjustment to grant Special Exceptions for any temporary use in any District provided 6 conditions are met. *(By ballot.)*

ARTICLE 15. To see if the Town is in favor of adopting Amendment #14 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To create a new section which allows for Special Exceptions for small scale solar or wind powered generating facilities provided 4 conditions are met. *(By ballot)*

ARTICLE 16. To see if the Town is in favor of adopting Amendment #15 as proposed by the Planning Board for the Franconia Zoning Ordinance as follows: To change and clarify the requirements for the granting of a Special Exception for a Residential B District use in the Residential A District providing 2 conditions are met; to change and clarify the requirements for granting of a Special Exception for a Business B District use in the Residential B District providing 2 conditions are met. *(By ballot.)*

ARTICLE 17. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same, as set forth in the following budget.

Town Officers' Salaries	\$ 11,660.00
Town Officers' Expenses	49,892.00
Election and Registration	600.00
Cemeteries	8,000.00

Bridge Capital Reserve Fund	2,000.00
Land Use Fund	1,000.00
Retirement & Social Security	16,500.00
Insurance (Inc. Workers' Comp.)	<u>\$15,000.00</u>
TOTAL	\$653,637.00

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of seventeen thousand dollars (\$17,000.00) to replace the roof on the Town Highway Garage.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to install a new furnace at the Town Highway Garage.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of sixty-seven thousand dollars (\$67,000.00) to bury the electric power lines and telephone lines at the intersection of Rte. 116 and Main Street (at the time of the Rte. 116 bridge replacement).

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be added to the Reassessment Capital Reserve Fund.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) to be added to the Equipment Capital Reserve Fund previously established.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500.00) for the Littleton Regional Hospital's capital campaign to expand and renovate the Emergency and Radiology Departments.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of nine hundred seventy five dollars (\$975.00) for the purpose of supporting the Center for New Beginnings (CNB), a not-for-profit social service agency which provides clinical treatment and counseling to victims of sexual, verbal and physical abuse and to perpetrators of abuse who reside in this town but who are unable to pay in part or in whole for the services received.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of two hundred forty-five dollars (\$245.00) for support of local American Red Cross services.

ARTICLE 26. To see if the Town will vote to adopt the following resolution in support of the intent of the New Hampshire State Statute regarding pornography: Resolved: To affirm New Hampshire's existing laws on obscene matter and to seek to maintain an ethic of wholesome and traditional values, the Town of Franconia hereby resolves to discourage the public sale, display, and purveyance of obscene and pornographic materials. (NH RSA 650:1-4; U.S. Supreme Court ruling of 1973.)

ARTICLE 27. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 28. To hear the reports of agents, auditors, committees or other officers heretofore chosen and to pass any vote relative thereto.

ARTICLE 29. To transact any other business that may legally come before the meeting.

Sally L. Small
Ronald A. Hunt
Bruce P. Bunker

Board of Selectmen
Town of Franconia

FRANCONIA AND FRANCONIA/MITTERSILL WATER DEPARTMENTS

Several improvements were made to the Franconia water works during 1990. New metal roofs were installed on the water storage facilities, and the Gale River reservoir was cleaned up. The Water Commissioners joined the NE Rural Water Association, and have had one system evaluation meeting this year.

In 1991 we will install a master meter on the main reservoir and further investigate the feasibility of installing a new 8" line on Church Street; this should be done when the State replaces the bridge at the Rt. 18/Rt. 116 intersection.

A new billing policy will be instituted in 1991. In order to have both the Franconia and Mittersill Water Departments on the same billing schedule, a Franconia customer will be billed, as usual, in March (for January, February and March) then a July bill will be sent for April, May, June, July, August, September, October, November and December. In 1992 water customers will be billed in July for the calendar year. This will make the billing process more efficient, and in line with the Mittersill bills which are already on an annual basis.

The Mittersill Corporation deeded a parcel of land to the State of New Hampshire enabling the State to eventually reestablish skiing on the Mittersill slopes. Since the Mittersill Water Department has wells and storage facilities on this 22 acre parcel, we will participate in the master plan discussion of Cannon/Mittersill in the spring of 1991. Due to this planned revitalization of the ski slopes, the wells and other water works will have to either be upgraded or relocated.

During 1990 both deep well pumps were replaced for the Mittersill water supply.

Mittersill Water Department customers will be billed in July for the months April through December 1991, and in 1992 will receive their bills in July for the full year's payment. At this point both Franconia and Mittersill will be on the same once a year billing cycle.

FRANCONIA FIRE DEPARTMENT

In 1990 Franconia's Fire Department responded to 45 calls in the following categories:

Automobile Fires	5
Chimney Fires	4
Electrical Fires	2
Structure Fires	14
Sprinkler Activation	1
Alarm Activation	4
Motor Vehicle Accidents	10
Rescue	1
Flooded Oil Burner	1
Unauthorized Burn	1
8123 Malfunction	2

Mutual aid was rendered to Lisbon, Littleton, Twin Mountain and Sugar Hill. We received mutual aid four times.

We welcome the Easton Fire Department which began service to Easton and Twin State Mutual Aid in October.

Fire prevention programs were given at both the Franconia Elementary School and the Franconia Childrens' Center.

Our inspection department continues its efforts to bring Franconia's commercial buildings up to code. We are presently concentrating on apartment houses.

Our total membership is twenty-four with the addition of three new members: James Carroll, Tim Cowles, and Chris McPhaul. We are interested in interviewing any resident of Franconia who is interested in the Fire Service as a candidate for membership.

Our truck committee continues to meet to develop specifications for a new piece of equipment to replace the mack pumper. It is hoped that our new truck will be in service in 1994 or early 1995.

The department elected to increase meetings to two per month year round. This will allow more training to allow us to keep abreast of the ever changing demand of firefighting. All members receive continual training both in house and at selected schools and seminars.

We mourn the passing of Firefighter Aaron Wright, the victim of an automobile accident in July.

We wish to thank all residents of Franconia who continue to support our efforts.

Our emergency telephone number will be changed in the spring from 823-8123 to the universal 911. This should give better service and quicker response to residents and visitors alike.

Remember to check your smoke detectors for operation weekly and change the batteries in spring and fall when we set our clocks.

Respectfully submitted,

William L. Mead, Chief

FRANCONIA POLICE DEPARTMENT

The year 1990 was a very busy year for the Franconia Police Department.

In January, Officer Miles began a ten week training course at the Police Standards and Training Academy in Concord. She graduated in March. Ten weeks of intensive training is required to become certified as a full-time officer.

Officer Johnson has been trained and certified as a firearms instructor. His expertise will provide the necessary training to all officers of the Police Department to be certified with necessary police weapons.

The Lafayette Lions donated Teddy Bears to the Police Department. The Teddy Bears are kept in the cruisers and at the station and are used whenever a child has undergone a traumatic experience, needs comforting and something to hold on to.

In November we conducted an informal "get together" with the senior citizens of Franconia, age 65 and over. There was a good turnout even with the inclement weather. It was suggested we lower the age for the next meeting which will be held in the spring. This will be done with the age lowered to 50 and over. At the meeting, an information form was given to the seniors requesting whom they wish to notify in case of an emergency. For those people who were unable to fill out a form at that time, there are forms available at the Franconia Hardware.

A four-wheel drive pick-up was purchased as Army surplus. It will be used during snow storms and during other activity which requires a 4x4 vehicle. With "TLC" this vehicle should be in service for quite some time.

The Franconia Police Department sincerely thanks all the people of Franconia for their support during the past year.

I thank all the officers of the Franconia Police Department for another year of loyalty and dedication.

Respectfully submitted,

Robert G. Malesky, Chief

RECREATION PROGRAMS

Summer Recreation Program

Over 90 children registered and enjoyed 7 weeks of activities in the Franconia, Sugar Hill, Easton Recreation Program under the supervision of Wendy Mitton, with Jean Serino giving Red Cross Swimming Lessons.

The program was structured differently this year and the parents and the committee felt it was very successful. We were able to rent Peabody Lodge at Cannon Mountain for 8 weeks which provided a home base for all activities. This location offered us a variety of advantages: close proximity to numerous hiking trails and Echo Lake, a large indoor area for rainy day activities, and a large outdoor area for sports and games.

Our thanks to Franconia Services for providing transportation and to the parents who helped in many ways.

<u>Purpose of Appropriation</u>	<u>1990 Approp.</u>	<u>1990 Actual</u>	<u>1991 Proposed</u>
Wages	\$ 8,000.00	\$ 7,837.00	\$ 10,000.00

Miscellaneous	700.00	1,044.00	400.00
	<u>\$12,850.00</u>	<u>\$12,370.00</u>	<u>\$13,700.00</u>

Summer Baseball Program

Under the volunteer coaching of a dedicated group of parents, the summer baseball fielded five teams. Gary Harwood initiated a short program for kindergarten children. Kevin O'Brien, Dave Brown, Peter Mogren, Coleen Foley, and Chris Collman coached three Farm League Teams. Gregg Connors returned as Little League Coach, and Hal Tuttle as Softball Coach. This is a very active program that coordinates with the Bethlehem and Lisbon Leagues. The 1991 program will field four farm leagues, one softball league and two little league teams.

<u>Purpose of Appropriation</u>	<u>1990 Approp.</u>	<u>1990 Actual</u>	<u>1991 Proposed</u>
Equipment	\$ 800.00	\$ 2,753.00	\$ 300.00

FRANCONIA LIFE SQUAD

This year the Life Squad continued with their in house training, both on their EMT skills and Advanced Life Support. We have had training in the use of our Air Rescue Bags along with the members of 3 Fire Departments with which we work.

We also welcome the new Fire Dept. of Easton. They have been helpful to us on a number of runs.

We have had our rescue truck repainted on the outside and hope to finish the inside in 1991. We were able to repair one and purchase one new 2-way Portable Radio which increased our efficiency to Easton and Sugar Hill by giving members living near those towns radio coverage.

The members of the Life Squad would like to once again thank you, the residents of Franconia, Sugar Hill, and Easton, for your continued support for our Squad.

The following is a breakdown of our activity to the towns:

Chronic Medical Emergencies	16
Emergency Medical	15
Motor Vehicle Accidents	27
Death by Natural Causes	2
Homicide Investigations	0
Dry Runs	4
Household Emergencies	4
Athletic/Recreation Accidents	4
Drug/Emotional	0
Fire	0
Child Birth/Home Delivery	1
Air Craft Accidents	2
Total	<u>75</u>

By Town Response:

Franconia	49
Sugar Hill	12
Easton	11
Other	<u>3</u>
Total	75

Squad Members: Bill Mead, Mary Ellen Gilbert, Steven Heath, Bill Hultgren, Mike Ford, Barbara Ford, David Southworth, Jeffrey Stewart, and Michael Gilbert.

Respectfully submitted,

Joel N. Peabody, Chief
Franconia Life Squad

PLANNING BOARD

Up-date on Items in 1989 Report

Renbel Mountain Trust. - An informal presentation of this project with 596 acres in Franconia, Sugar Hill, and Bethlehem and with 396 units proposed, was made in 1988. No application has ever been presented to the Town and it now seems apparent that none will be presented.

BFG Contel. - In 1989, Superior Court Judge, Robert E. K. Morrill issued a decision in favor of Franconia. In January 1990, BFG appealed the Superior court decision to the New Hampshire Supreme Court. In July, BFG decided to give up its appeal and requested a settlement. In the final settlement the Planning Board did not give up any right to rely on factual or legal findings in this case in the event of any future application to construct a hotel under a condominium form of ownership.

Village at Lovetts - Lafayette Mountain Development Company, Inc. - The issues involved in the petition to the Grafton County Superior Court by George and Kimberly A. S. Stroup continue. The town seems to be caught in the middle between Lafayette and the Stroups who are currently in the process of trying to work out a settlement. We are hopeful that these issues can be resolved.

Ski Pine Club, Inc. - This subdivision and site plan application for a thirteen unit Planned Unit Condominium Development were approved in May, 1990. These applications were complicated by the subdivision being in Franconia and the access road going through Sugar Hill, and a new 1989 law to deal with situations involving more than one town. Representatives of the Sugar Hill Planning Board and Selectmen were invited to and attended all the hearings, but concluded in this case that the new law would not support objections to Franconia's decision.

New Developments in 1990

The slow-down in the economy, now generally recognized as a recession, resulted in only one application that could have any measurable impact on our town.

Timber Ridge Subdivision, Joseph Nelson - This subdivision of 50 acres and 15 lots was approved on February 13, 1990.

Zoning and Subdivision Revision - Much of the Planning Board's time in 1990 was spent on this project. Fourteen zoning amendments are being presented to the voters on March 12, 1991. An Aquifer and a Wetlands ordinance are the most significant changes proposed. A completely new subdivision section will be presented at separate public hearings for the Town's consideration. These new subdivision regulations are almost entirely an update to conform with state law, and are editorial and procedural in nature rather than substantive. Subdivision Regulations can be implemented by the Planning Board after public hearings and do not require approval by the voters.

Update of 1980 Master Plan - In March (?) the Master Plan questionnaire/survey was mailed to every voter, resident, and property owner of Franconia. 1138 surveys were mailed; 448, or 40% were returned. Quotes from Christopher Brooks' summary of results follow:

"The overriding attitude reflected in the survey is that of satisfaction with Franconia's status quo in terms of controlled growth as a residential and small resort community ---". When asked to rank the most important aspects of Franconia's character, 1990 respondents chose, in order, mountain views, small village atmosphere, and forest lands. Asked to rank the town's most immediate environmental concerns, respondents indicated major landscape alterations, groundwater quality, solid waste management, and surface water quality. "Lifestyle" was the single most frequent reason given for moving to Franconia."

The Master Plan Commission, chaired by Bob Ball and Paul Magnuson, hopes to have the final product ready for presentation to the Planning Board this spring. The Master Plan is then adopted or amended by majority vote of the Planning Board after appropriate public hearings.

Town Maps - As a result of an appropriation by the town in 1989, the Planning Board now has maps at a scale of 1" equalling 500' showing tax lot boundaries, aquifers, wetlands, soil classifications, and steep slopes. These maps will greatly facilitate the day-to-day work of the Planning Board.

During the course of the year the Planning Board accepted with regret the resignations of Cathy Gerasin and Jane Garvey Hughes due to the pressure of personal affairs. We thank them both for their dedicated service.

We welcome Earle Collins and Steven Heath as permanent new members and Sybil Carey as a new alternate.

Respectfully submitted,

Fred Griffin, Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment, upon application, reviews and decides on alleged errors in administrative finding, and grants variances to the Zoning Ordinance to provide relief from hardship. The Board also has the authority to grant an exception for use in keeping with certain provisions of the Ordinance.

The Board does not interpret or revise the town's zoning ordinance. Rather, it is charged with the straightforward application of the ordinance provisions to the problems brought before it. A special exception or variance may be granted, on a case-by-case basis, when such is appropriate, warranted, and consistent with the letter and spirit of the ordinance.

On the one appeal to come before it in 1990, the Board voted to deny a variance to Ched Doran and Christie Shaw-Doran to construct a windmill tower exceeding allowable structure height.

1990 personnel changes included the appointment of Mary Ellen Gilbert as a voting member and Dana Johnson as alternate.

Respectfully submitted,

Christopher Brooks
Chairman

CONSERVATION COMMISSION

The Franconia Conservation Commission successfully completed the necessary steps for the generous donation of Fox Hill to the Town this year. We encourage the public to enjoy the present picnic area and trail. Please contact us with your suggestions to enhance its future use and let us know of any volunteers who would like to work with the Town on its maintenance.

Members of our commission have also coordinated the completion of the community attitude survey and drafting of chapters for the revised Master Plan.

Other members have attended workshops on the protection of our natural resources, and expanded interest (with the dedication of other volunteers and teachers) in our 1990 Earth Day education and celebration.

We are studying the Main Street area for removal of dead trees and replacement plantings. Future plantings and expansion of green space depends on our present funds as well as donations of time, money and expertise.

Mr. Ray Lobdell has completed the mapping of Prime Wetlands and continues to work with us toward their designation and protection.

I would like to thank the volunteers of our Conservation Commission for their time and concern as well as the little known donations of plantings, beautification efforts, and man hours by several community members. Our appreciation continues to go to Reggie Tarr for his time, caring and expertise.

With the Cannon - Mittersill expansion and changes occurring in our area we urge residents to be accurately informed and involved in the decisions being made for the future of our town. Conservation and preservation will determine the quality of growth in Franconia.

Respectfully submitted,

Gretchen N. Bunker
Chairman

UPPER GRAFTON/LANCASTER AREA SOLID WASTE DISTRICT

The Upper Grafton/Lancaster Area Solid Waste District (UGLA) was very busy and productive during 1990 and the District continued to receive administrative assistance from North Country Council. The District's primary objective during 1990 was to develop the permits and design for the proposed Mount Eustis Landfill. UGLA's consultant completed and submitted most of the permits required for approval of the Mount Eustis Landfill. The NH Department of Environmental Services should have an indication of the completeness of the information submitted prior to Town Meeting. In addition, the consultant completed the facility design.

The District committee evaluated options for financing the landfill construction. After careful consideration, the committee determined that creation of a separate municipal corporation with bonding authority was deemed to be premature at this time. One option discussed was for the Town of Littleton to bond for construction of the landfill and contract for its use with the other District communities.

During 1990 the District monitored legislative and regulatory developments in Concord. The District submitted testimony and organized legislative support on the NH Department of Environmental Services proposed solid waste rule amendments. The outcome of that activity has not yet been finalized, but thus far it appears that the District's efforts were successful.

CHAMBER OF COMMERCE

The Franconia - Easton - Sugar Hill Chamber of Commerce has had a very successful year. In a time when tourism is struggling with the economy, along with the rest of the state, our area has felt the least impact. We can credit our beautiful surroundings, the quality of our lodging and the friendliness of all our business people. The booth attendants were particularly critical to keeping travelers who were just traveling for the day in the area and using our many services and facilities. Tourists made reservations at the last minute, or after arriving in the area. The quality of the response they received to their inquiries determined where they would stay. Our attendants did a commendable job directing so many of these tourists to local facilities and businesses.

Other Chamber activities, funded by Chamber dues, included efforts to reacquaint the country with the Franconia - Easton - Sugar Hill area as the place to vacation. Long articles were printed in 27 different newspapers all over the country. These brought in inquiries from many people who have never visited our area. We hosted 20 Travel Writers in June and 40 Ski Writers in January - all of whom were very favorably impressed with our area.

The Chamber again participated in the Hayseed festival, sponsored the Quilt and Craft Show and helped coordinate the Christmas party at McKerleys Health Care Center. We continue to work with other area chambers to coordinate events, work on cooperative projects and serve our communities.

The summer cooperative TV ad, aired on Channel 8, was very well received and brought forth many visitors from Maine, lower N.H. and the Canadian Border. We hope to be able to do a similar ad this summer in time for the Hayseed festival.

We look forward to a challenging 1991!

THE FROST PLACE

In 1990, the Frost Place completed its fourteenth season. It began in May with the arrival of Conleth O'Connor of Dublin, Ireland, as the eighth Irish Exchange Poet-in-Residence. Poet John Engels of Vermont, our 1988 Resident Poet, travelled to the Guthrie Centre of Ireland as the Frost Fellow. Mr. O'Connor gave readings at Dartmouth and Plymouth State as part of his month-long stay in Franconia.

On July 1st, the twelfth Robert Frost Day in New Hampshire was celebrated. Ms. Rosanna Warren, the 1990 Resident Poet, gave a reading of her poems to an audience of some 75 persons, while Dr. Parker Towle of the Board of Trustees, gave a talk on Frost's life and work.

From July 29th through August 4th, the twelfth Festival of Poetry took place. Besides Ms. Warren, five other nationally prominent poets served as Guest Faculty: David Huddle, Molly Peacock, Jane Shore, Amy Clampitt, and T. R. Hummer.

Some 1800 persons visited this season, and media coverage-including cable TV and foreign as well as domestic press-was significant. The 1990 budget finished well in the black.

Begun in 1990 was an internship program with Dartmouth College. Ms. Tania Stasiuk (class of 1990) served as the first intern, learning arts management and museum from the Director and other Board Members. The internship was very successful, and Dartmouth wishes to continue the program.

Finally, on behalf of the Board of Trustees, I extend our sincerest thanks to the Town of Franconia, the selectmen, the administrators, and all the citizens, for loyal and good support in 1990.

Respectfully submitted,

Donald Sheehan,
Director

FRANCONIA HISTORY-MUSEUM COMMITTEE

We have had a busy, exciting and interesting year and feel that our goals have been achieved with the many volunteer hours spent by our members and the Franconia Area Heritage Council.

We again sponsored an historical essay contest for the sixth graders at the Lafayette Elementary School. The winners were Keisha Luce, first place; Anna Smiles, second place; Patrick Connors, third place. The essays have been on exhibit at the Abbie Greenleaf Library.

We entered into a joint venture with the Sugar Hill Museum to present an exhibit to recognize men and women of the North Country who made a contribution to the region and the state. The exhibit was titled "Pioneers of the Hills, 1790-1990." The biographies, photographs, and historical artifacts were displayed at the Abbie Greenleaf Library and the Sugar Hill Museum from July 1 to October 31.

Also with the Sugar Hill Museum, we sponsored a series of four lectures with the help of the Northern New Hampshire Foundation. Two were held in Sugar Hill and two in Franconia. They were as follows:

1. Gregory Swartz of Woodstock, VT Historical Society spoke of Benjamin Whitcomb, an early scout during the Rogers Rangers period.
2. Warren Swift had a captive audience on his topic of the early days of the Sunset Hill House, of which he was proprietor.
3. Charles Vogle gave a slide-lecture on some of the better known White Mountain painters.
4. A presentation of "It Had to Be Done So I Did It," a documentation of the daily lives of women in Warner, NH from 1900-1950, was given by the Warner Women.

Many thanks go to Jane Vincent and Cathy Burke of the Sugar Hill Museum and Chris Brooks of the Franconia Area Heritage Council for preparing and filing the grant application.

We have completed the task of sorting out the contents of the Sarah Welch house. (And believe me, it was a task!) Many items of historical significance to Franconia were saved for the museum. A very successful auction was held on September 30th to raise money from the remaining items. A sum of \$13,237.00 was realized and has been turned over to the town to be invested in a Museum Fund. At last year's Town Meeting the voters authorized the Selectmen to sell the land and building(s). Hopefully, a sale can be made this year and the proceeds put into the Museum Fund. It was Sarah's hope that by donating her property to the Town, the History-Museum Committee would some day be able to organize a museum to preserve Franconia's history.

We were all saddened by the passing of Bernard Herbert. He had given so much of himself and his time to promote the sale of our books and compiling a list of all Franconia veterans who served in any of the Armed Forces. He will be greatly missed.

We plan to display more articles in the Town Hall. We still welcome any photographs, historical artifacts, or donations of any kind to promote our goal of a Franconia Museum. Anything pertaining to the Iron Foundry era, the old saw mills and the Forest Hills Hotel would be most welcome.

Respectfully submitted,

Beatrice M. Hunt, Chairman

**BIRTHS REGISTERED
IN THE TOWN OF FRANCONIA, NH
